Bee Busy Learning Academy, Inc.
9898 Bissonnet Street, Suite 330
Houston, Texas 77036

Mr. Mitchell,

I want to thank you for meeting with me and sharing all of the wonderful things that are happening at the Busy Bee Learning Academy. It is with great pleasure that I support the efforts put forth by Bee Busy Learning Academy, Inc. I am aware of the Agency's mission and goals and congratulate Bee Busy for adhering to them. As Councilmember for the City of Houston, I have the opportunity to view the progress of funded organizations, their work history and goals and achievements. I am aware of the many expansions Bee Busy has undergone and applaud the Agency's successes.

As a Community Based Organization, serving at-risk youth and adults in the Houston area since 2000, Bee Busy Learning Academy, Inc. has received numerous accolades and awards for their outstanding efforts. I have reviewed and am aware of the Agency's current services of providing HIV prevention education, free and confidential counseling, testing and referral services to at-risk youth and adults. The Organizations dedication and attention to the clients needs is unprecedented in the Houston area. The expansion of program efforts to include the internet and media as a means of reaching the hardest to reach populations is innovative and yields a myriad benefits.

Additionally, I am in full support of the establishment of Bee Busy Wellness Center as a Federally Qualified Health Center. It has been documented that several residents have limited access to care and with the introduction of Bee Busy Wellness Center, residents will have increased access.

My office supports all your hard work and perpetual efforts in the Houston community.

With warmest regards and continued support,
